

Dear Prospective Yoga Teacher,

Thank you for inquiring about our Registered Yoga Alliance Teacher Training Program (RYT 200). **It's Yoga- Cincinnati** is the first Yoga Alliance Registered Yoga School (RYS) in Cincinnati. With over 18 years' experience training yoga teachers, we are proud of our outstanding teacher trainers and our reputation for producing top-quality creative teachers who live and love the yoga lifestyle. Our teacher graduates are highly sought after, teaching all levels of yoga at studios and gyms around the world.

Unlike most training programs that are limited to one style of yoga, our program offers training on two distinct but complementary styles:

- **Ashtanga Yoga** The most challenging style of classical yoga
- **Hatha Yoga** Individualized postural alignment as well as the Traditional meditative style for any level

Both styles are presented so that the yoga teacher learns how to teach a challenging class for those who are ready, but also a less demanding class for beginners, senior citizens, or for those who prefer a more relaxed meditative approach.

We emphasize a well-rounded introduction to all traditional aspects of yoga, including techniques for meditation and pranayama (breathing exercises) as well as an intensive study of yoga philosophy (Patanjali's *Yoga Sutras*), yoga theory, anatomy, subtle anatomy, kinesiology, and Sanskrit.

A unique aspect of our program is the opportunity for practice teaching. Prospective teachers gain real practical experience by observing, assisting and teaching during public classes. This allows the prospective yoga teacher to gain experience and confidence in their teaching abilities.

After you have completed your RYT 200 training, we also offer an Intermediate/Advanced Training program for those who wish continue their training and earn a RYT 500 Certification, which qualifies you as an advanced yoga teacher.

If you are interested in our comprehensive yoga teacher training program please submit the attached application form, including answers to the questions on the second page. Please feel free to contact me personally at (513) 300-5586 or itsyogaindu@earthlink.net if you have questions or would like to discuss our teacher training program in more detail.

What's different about It's Yoga Cincinnati's RYT Yoga Teacher Training Program?

It's Yoga Cincinnati's Teacher Training Program is scientifically designed by experts and specialists who have harnessed the expertise of our Yoga Teacher Trainers in order to provide a full spectrum approach to yoga postures, health, and traditional yoga lifestyle choices.

Level 1 RYT 200-Hours Certification

The 200-hour training is a time-tested program designed to enhance the overall health of the yoga practitioners by deepening and refining the layers of their yoga practice. Set yourself apart from other yoga teachers by learning skills that will proactively protect against physical and mental injury as well as learning to lead a safe and effective yoga class.

This customized program is an integrative approach that focuses on scientific study of asanas, which incorporate elements of facilitated stretching, bio-mechanics and movement therapeutics. Emphasis is placed on both physical and psychological benefits of yoga, including muscle flexibility, strength, balance and range of joint motion. Personal empowerment lifestyle models are presented in order to allow trainees to explore various traditional yoga methods that can be used to harmonize the body, mind and spirit.

Standards are enhanced in preparation for professional training (RYT 500) by the introduction of Raja Yoga, Yoga Philosophy, Sanskrit terminology, Yoga Theory and Cosmology. Yoga Anatomy and postural mechanics are taught on three levels, verbal, visual and experiential. We use a variety of visual aids based on: skeletal models, kinesiology and the study of common movement patterns that tend to result in repetitive stress injury.

Students learn to conduct classes in several styles such as Hatha, Vinyasa and Modified Ashtanga/Vinyasa Yoga so that trainees can modify their teaching repertoire according to current demands of various yoga studios. Class observations and practice teaching requirements help trainees develop experience and confidence in their teaching skills before completing the program

Yoga Teacher Trainers

No yoga teacher training program attains excellence without a dedicated and highly experienced director & staff

Indubala Bhardwaj, MT, ERYT 500, T500, YACEP

RYT 200/300 Teacher Training Program Director & Author

Indu's has been teaching yoga for 38 years. Her background reveals a lifelong passion to study, practice and share her vast yoga knowledge gained from many years of experience. Indu began practicing yoga in 1968 after meeting Swami Satchidananda while attending the American Musical and Dramatics Academy in New York City. After a career in classical dance, Indu became a Licensed

Massage Therapist in Toronto at the Canadian College of Massage and Hydrotherapy in 1974.

After eight years of yoga practice, in 1976 Indu met her mentor and Guru, Pundit Yogi Raj Sharma Shastri. Indu continued her studies with him in Traditional Yoga, Sanskrit, Bhagavad Gita and Brahm Vidya philosophy for another 22 years until he left his body. In 1986 she was honored by being initiated into the Mahanubhava Marg by the late Rajdhar Baba of the Samvatsar Ashram in Maharashtra.

Indu began teaching yoga in 1980 after moving to Cincinnati. In 1998, she co-founded the first yoga school in the Tri-State Area (Cincinnati Yoga School) and in 2000 co-founded It's Yoga Cincinnati. Indu developed Ohio's first and longest running Yoga Alliance RYT Yoga Teacher Training Program in 2001. Indu teaches yoga and workshops nationally while continuing to train yoga teachers for the past 18 years. In October 2016, Indu was honored by the Cincinnati Yoga Teachers Association with a Life-Time Achievement Award presented by The Mayor of Cincinnati and Cincinnati's sister city, Mysore, India.

Indu is an expert in yoga myofascia anatomy, inspired by Doug Keller and Thomas Meyers. An avid student of fascia movement and yoga, she applies this approach and teaches it to her yoga students. As a result, her students rapidly improve their asanas, enabling them to move deeper into their yoga practices without injury.

Indu believes in living a yoga lifestyle both on and off the mat. It can best be defined according to the Bhagavad Gita as "*skillfulness in action.*"

Michael Burgasser, MA, ERYT 500, T500, YACEP RYT 200/300 Experienced Yoga Teacher Trainer

Mike has over twenty years' experience as a Personal Trainer and Health Educator. He served as a Wellness Program Coordinator for St. Luke Hospital and as Program Director for AT&T Fitness. Mike became interested in yoga in 1996 as a student of Vicki Russell Bell. He was impressed with the physical benefits of yoga, integrating it into his personal training programs. In 1999 Mike met Larry Schultz who introduced a new innovative yoga style of Ashtanga Vinyasa, the Modified Primary. This inspired Mike to study Ashtanga with Tim

Miller. He then began teaching Ashtanga Yoga at Cincinnati Yoga School & Bookstore. In 2000 he co-founded It's Yoga Cincinnati with Indu. Since 2001 he has served as an experienced yoga teacher trainer and 17 years as the Administrator of its Yoga Cincinnati. When training yoga teachers, he specializes in Practice Teaching Methodology which prepares new trainees to expertly lead a Modified Primary class. Corporate yoga classes for business and organizations keep him busy when he is not at the studio.

Mike also conducts classes and workshops in Thai Yoga Therapy (Nuad-Bo-Rarn) and Medical Qigong. Thai yoga therapy is a part of the traditional healing system of Thailand. It has been practiced by Buddhist monks for the last 2500 years, but not introduced in the United States until 1990. He has recently developed a yoga program teaching mature students (50+).

Mike brings a sense of playfulness and challenge to his yoga classes. His specialty is hands-on postural adjustments to help students achieve a deeper yoga experience. Mike's teaching philosophy is "Keep it light and have fun."
