

Dear Prospective Registered Yoga Teacher,

Thank you for inquiring about our Registered Yoga Alliance Teacher Training Program (RYT 200). **It's Yoga Cincinnati** is the first Yoga Alliance Registered Yoga School (RYS) in Cincinnati. With over 19 years' experience specializing in training yoga teachers. We are proud of our outstanding reputation for producing top-quality creative teachers who live and love the yoga lifestyle. Our graduates are highly sought after, teaching all levels of yoga at studios and gyms around the world.

Unlike most training programs that are limited to one style of yoga, our program offers training in two distinct but complementary styles:

- **Ashtanga/Vinyasa Yoga** The most challenging style of classical yoga and foundation of All Vinyasa & Power Yoga styles
- **Hatha Yoga** Individualized postural alignment as well as the Traditional meditative yin style for any yoga level

Both styles are presented so that the yoga teacher learns how to teach a challenging class for those who are ready, but also a less demanding class for beginners, senior citizens, or for those who prefer a more relaxed meditative approach.

We emphasize a well-rounded introduction to all traditional aspects of yoga, including techniques for meditation and pranayama (breathing exercises) as well as an intensive study of yoga philosophy (Patanjali's *Yoga Sutras*), yoga theory, anatomy, subtle anatomy, fascia alignment, and Sanskrit.

A unique aspect of our program is the opportunity for practice teaching. Prospective teachers gain real practical experience by observing, assisting and teaching during public classes. This allows the prospective yoga teacher to gain experience and confidence in their teaching abilities.

After you have completed your RYT 200 training, we also offer an Intermediate/Advanced Training program for those who wish continue their training and earn a RYT 500 Certification, which qualifies you as an advanced yoga teacher.

If you are interested in our comprehensive yoga teacher training program please submit the attached application form, including answers to the questions on the second page.

Please feel free to contact me personally at (513) 300-5586 or itsyogaindu@earthlink.net if you have questions or would like to discuss our teacher training program in more detail.

What's different about It's Yoga Cincinnati's RYT Yoga Teacher Training Program?

It's Yoga Cincinnati's Teacher Training Program is scientifically designed by experts and specialists who have harnessed the expertise of our Yoga Teacher Trainers in order to provide a full spectrum approach to yoga postures, health, and traditional yoga lifestyle choices.

Level 1 RYT 200-Hours Certification

The 200-hour training is a time-tested program designed to enhance the overall health of the yoga practitioners by deepening and refining the layers of their yoga practice. Set yourself apart from other yoga teachers by learning skills that will proactively protect against physical and mental injury as well as learning to lead a safe and effective yoga class.

This customized program is an integrative approach that focuses on scientific study of asanas, which incorporate elements of facilitated stretching, bio-mechanics and movement therapeutics. Emphasis is placed on both physical and psychological benefits of yoga, including muscle flexibility, strength, balance and range of joint motion. Personal empowerment lifestyle models are presented in order to allow trainees to explore various traditional yoga methods that can be used to harmonize the body, mind and spirit.

Standards are enhanced in preparation for professional training (RYT 500) by the introduction of Raja Yoga, Yoga Philosophy, Sanskrit terminology, Yoga Theory and Cosmology. Yoga Anatomy and postural mechanics are taught on three levels, verbal, visual and experiential. We use a variety of visual aids based on: skeletal models, kinesiology and the study of common movement patterns that tend to result in repetitive stress injury.

Students learn to conduct classes in several styles such as Hatha, Vinyasa and Modified Ashtanga/Vinyasa Yoga so that trainees can modify their teaching repertoire according to current demands of various yoga studios. Class observations and practice teaching requirements help trainees develop experience and confidence in their teaching skills before completing the program

**Michael Burgasser, MA, ERYT 500, T500, YACEP
RYT 200/300 Experienced Yoga Teacher Trainer**

Mike has over twenty years’ experience as a Personal Trainer and Health Educator. He served as a Wellness Program Coordinator for St. Luke Hospital and as Program Director for AT&T Fitness. Mike became interested in yoga in 1996 as a student of Vicki Russell Bell. He was impressed with the physical benefits of yoga, integrating it into his personal training programs. In 1999 Mike met Larry Schultz who introduced a new innovative yoga style of Ashtanga Vinyasa, the Modified Primary. This inspired Mike to study Ashtanga with Tim

Miller. He then began teaching Ashtanga Yoga at Cincinnati Yoga School & Bookstore. In 2000 he co-founded It’s Yoga Cincinnati with Indu. Since 2001 he has served as an experienced yoga teacher trainer and 17 years as the Administrator of its Yoga Cincinnati. When training yoga teachers, he specializes in Practice Teaching Methodology which prepares new trainees to expertly lead a Modified Primary class. Corporate yoga classes for business and organizations keep him busy when he is not at the studio.

Mike also conducts classes and workshops in Thai Yoga Therapy (Nuad-Bo-Rarn) and Medical Qigong. Thai yoga therapy is a part of the traditional healing system of Thailand. It has been practiced by Buddhist monks for the last 2500 years, but not introduced in the United States until 1990. He has recently developed a yoga program teaching mature students (50+).

Mike brings a sense of playfulness and challenge to his yoga classes. His specialty is hands-on postural adjustments to help students achieve a deeper yoga experience. Mike’s teaching philosophy is “Keep it light and have fun.”
